

## EXTENSION CHORDS PERFORM AT THE STEWARD SCHOOL - RICHMOND

**Mike Maruca, Headmaster, introduces the Extension Chords who are spread out across the stage.**

Barbershop harmony was brought to the Steward School in Richmond on May 15, when the Extension Chords presented a concert for the students. The group sang several songs and then gave a demonstration of the different voice parts that make up the barbershop sound.

They used familiar nursery rhymes to help the kids sing along. The younger kids took to each part quite well. The middle schoolers were a little more hesitant to give it a try, but did their best. A great time was had by all!

**Susan, Kathy, Jan, and Anita demonstrate the barbershop art form to the students.**
